Usha Kumari

UI/UX DEVELOPER

Phone: +91-8527018160 | Email: usha852701@gmail.com | Location: Noida, India

PROFILE SUMMARY

UI/UX Developer with practical experience in crafting responsive, reusable user interfaces using **React.js** and **Next.js.** Proficient in **JavaScript, CSS, SASS,** and modern styling frameworks like **Bootstrap** and **Tailwind CSS.** Skilled in building intuitive and user-centered designs using **Figma**, from wireframes and user flows to high-fidelity prototypes. Strong understanding of UX principles including usability, accessibility, and interaction design. Experienced in component-based architecture, design consistency, and performance optimization. Committed to delivering clean, maintainable code and seamless user experiences across devices and platforms.

TECHNICAL SKILLS

Languages & Styling: HTML, CSS, SASS, JavaScript
Frameworks & Libraries: React.js, Next.js, Bootstrap, Tailwind CSS, Material UI, Chakra UI
Design & UX Tools: Figma (Wireframing, Prototyping, User Flows)
UI Development: Responsive Design, Reusable Components, Design Systems
Best Practices: Cross-browser Compatibility, Clean Code, Accessibility Standards
Knowledge Areas: Component Architecture, UI/UX Principles, Performance Optimization

PROFESSIONAL EXPERIENCE

Cliffex Software Solution Pvt. Ltd. UI Developer   Apr 2022 – Jun 2023

- Designed and developed intuitive, responsive interfaces for web and mobile using HTML5, CSS3, JavaScript, and React.js.
- Translated wireframes and prototypes into functional UI, collaborating closely with UX designers.
- Wrote clean, maintainable code to optimize performance, speed, and scalability.
- Ensured cross-browser compatibility and mobile responsiveness across all platforms.
- Applied UI best practices to improve usability, accessibility, and overall performance.
- Diagnosed and resolved UI issues, continuously optimizing user experiences.
- Stayed updated with the latest UI/UX trends and front-end tools to deliver modern, user-friendly solutions.

Digisajilo Pvt. Ltd. UI Developer   Aug 2019 – Apr 2022

- Developed responsive front-end interfaces using **HTML**, **CSS**, and **JavaScript.**
- Ensured **cross-browser compatibility** for consistent performance across devices.
- Designed and implemented **mobile-friendly layouts** for optimal usability.
- Built interactive UI components such as **forms, buttons, sliders,** and **carousels** to enhance user engagement.
- Integrated **animations and transitions** for smooth and visually appealing user experiences.

EDUCATION

Bachelor of Computer Applications   **2019 - 2025**

Amity University Noida

- Developed advanced skills in software development, system design, and web technologies.
- Worked on real-time projects, enhancing problem-solving and application-building abilities.

Web Designing – Suryasanstha Polytechnic   2014

- Learned front-end development using **HTML, CSS,** and **JavaScript** for responsive web design.
- Practiced designing user-friendly layouts focusing on **UI principles,** color theory, and typography.
